WE'RE BACK!

Welcome back to everyone for the new school year. The children have returned overflowing with smiles and enthusiasm, which is great to see.

Please remember to notify the teacher if your child is absent so we are aware. Each teacher has a new email address for this purpose.

If you arrive at school before 8.30, please have a listen to the music and then the children can play or sit in the playground area, where they will be supervised from 8.15.

MUSIC FOR THOUGHT

Some of you may have noticed music playing in the hall in the mornings before school.

Each week, one of the teachers chooses three songs and the children have to identify the link between them—or maybe the odd one out. Depends how mean the teacher is feeling!

Please have a listen during the week and help your child with the answer. The winner is drawn out of a hat at Friday assembly and wins a prize!
