GOOD MORNING KRABI!

One day last week, we had a great group of visitors from the mainland.

We have been liaising with one of the Thai schools in Krabi, going by the catchy name of Bannaichongmitttrapab123 School, in the hope that we shall be able to form a working relationship to be able to support each other in any way possible.

So, last week, they paid us a visit. THE WHOLE SCHOOL! They were given a guided tour and our children were able to tell them what we were learning about in our lessons. The staff and children were very friendly and they all seemed to enjoy looking around. They then presented us with a framed picture of the new King.

The day ended with both schools joining together for a drink and a snack. We hope to arrange a return visit to their school in the very near future.

Important Dates

Friday 13 October
School closed

23-27 October
School closed

Monday 30 October
School open again

IMPORTANT

Please note that if a parent is assigning another person to pick up their child, the school must be informed as we have a legal responsibility. In the very near future, your child will receive a school ID card. If someone, other than a family member is picking your child up, they must have either the ID card or a note signed by a parent or guardian before we will let the children go home. We do this for the safety and security of your child, so please help us do this by complying. If you have any questions, please address them to Gerry.
