CUP CRAZY

Last week saw the first ever GVS Cup Stacking Tournament and a great success it was too! Nine

cups each, a blur of hands, much cheering, intense concentration, tight matches, lots of laughter and bundles of fun. Sadly, there could be only one winner. Very well done Lalita, who fought off a spirited challenge from Jay Jay. What a wonderful way to spend a Friday lunchtime - let's do it again soon.

100% SCOOP

Last Friday, five lucky children were whisked off to Two Scoops for an afternoon ice-cream treat. Actually, they weren't lucky at all. The treat was extremely hard earned, as they had all managed to achieve 100% attendance for last term. This is a fantastic achievement. So well done to all of you and I wonder who will be going on the next 100% attendance treat - wherever it may be!

AFTER SCHOOL

This week has seen the start of after school clubs. The teachers were wonderfully surprised to see so many children eager to try the different activities on offer. The week started 'sweetly' with the cooking club and everyone left with a lovely looking, and tasting, package!

The children enjoyed the clubs on the other afternoons too. If your child has not signed up for a club but decides they would like to attend, just let the teacher in charge know.

CHINESE

As promised, the children in Octopus, Seahorse and Orca classes have started their Chinese lessons with Teacher Sindee and they have said they are enjoying them very much.

and finally...

A snail can sleep for three years. I am off to find my shell zzzzzzzzz.
